GOVERNMENT OF MADRAS

PUBLIC WORKS (INFORMATION & PUBLICITY) DEPARTMENT

****

PRESS NOTE NO.148, DATED THE 16TH AUGUST 1950.

Allotment of iron and steel for constructing new tobacco barns or repairing existing ones.

******

Applications for allotment of iron and steel for constructing new tobacco barns or for repairing the existing ones should be submitted to the Coal Control Inspectors concerned through the Revenue Inspectors of the respective areas. Applications should be made in the form already adopted by the Coal Distributors. In respect of new constructions, full particulars of the number of barns already owned by the applicant and the area cultivated by him with tobacco should also be given. The last date for submitting applications is fixed as First September 1950. Applications received after the above date will not be considered.
